MOBILE DEPOSITS FROM YOUR CREDIT UNION

There's a new way to deposit checks, and it's as simple as *snapping* a picture with your smartphone or tablet and *sending* it to a friend.

With the credit union's mobile app and the camera on your mobile device, you can snap a picture of your check and deposit it into your credit union account from virtually anywhere, anytime. There's no driving, and no deposit slips, envelopes or lines.

Here's how Mobile Deposits work:

-  **Open** the credit union's mobile app and select the deposit feature.
-  **Select** the account to receive the deposit, and enter the check amount.
-  **Snap** photos of the front and back of your endorsed check.
-  **Verify** your deposit amount.
-  **Send.** You'll receive confirmation that your deposit is being processed.

It's fast, convenient and easy to use.

Snap. Send. Done! Contact your credit union to learn more.
